**NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS**

**NOTICE IS HEREBY GIVEN** that the Annual General and Special Meeting of Shareholders (the “**Meeting**”) of Bold Ventures Inc. (“**Bold**” or the “**Corporation**”) will be held at the offices of the Corporation at 15 Toronto Street, Suite 1000, Toronto, Ontario, on **Thursday, the 19<sup>th</sup> day of June, 2014**, at the hour of **11:00 o'clock in the morning (Toronto time)** for the following purposes:

- (1) to receive the audited financial statements of the Corporation for the financial year ended October 31, 2013 and the report of the auditors thereon;
- (2) to elect the directors as nominated by Management;
- (3) to appoint McGovern, Hurley, Cunningham, LLP as auditors of the Corporation for the ensuing year and to authorize the directors to fix their remuneration;
- (4) to ratify the Corporation’s Stock Option Plan; and
- (5) to transact such further and other business as may properly come before the said Meeting or any adjournment of adjournments thereof.

A copy of the Management Information Circular (the “**Circular**”), the audited financial statements for the years ended October 31, 2013 and October 31, 2012 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended October 31, 2013 (the “**Annual MD&A**”) accompany this Notice of Meeting.

Shareholders entitled to vote who do not expect to be present at the Meeting are urged to date, sign and return the form of Proxy or voting instruction form delivered to them with the Notice-and-Access Notification (defined below).

**NOTICE-AND-ACCESS**

Notice is also hereby given that Bold has decided to use the notice-and-access method of delivery of meeting materials for the 2014 Annual General and Special Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the Annual Financial Statements and the Annual MD&A and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. **Shareholders are reminded to view the Meeting Materials prior to voting.**

**INFORMATION CIRCULAR**  
**MANAGEMENT SOLICITATION**

**SOLICITATION OF PROXIES**

**This Information Circular (the “Circular”)** is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of Bold Ventures Inc. (the “Corporation”) for use at the **Annual General and Special Meeting of Shareholders (the “Meeting”)** will be held at the offices of the Corporation at Suite 1000, 15 Toronto Street, Toronto, Ontario, at the hour of 11:00 o'clock in the morning (Toronto time), on Thursday, the 19<sup>th</sup> day of June, 2014, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

**NOTICE-AND-ACCESS**

The Corporation has elected to use the “notice-and-access” process that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI-54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and non-registered Shareholders of the Corporation as set out in the “Advice to Non-Registered Shareholders” section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. Notice-and-access may be used by issuers in respect of meetings that occur on or after March 1, 2013. The Corporation anticipates that utilizing the notice-and-access process will substantially reduce both postage and printing costs.

The Corporation has posted the Circular, the Corporation’s audited financial statements for the years ended October 31, 2013 and 2012 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended October 31, 2013 (the “**Annual MD&A**”) on the website, [www.boldventuresinc.com](http://www.boldventuresinc.com).

Although the Circular, Annual Financial Statements and Annual MD&A (collectively, the “**Meeting Materials**”) will be posted electronically online, as noted above, the registered and non-registered Shareholders (subject to the provisions set out below under the heading “Advice to Non-Registered Shareholders”) (collectively the “**Notice-and-Access Shareholders**”) will receive a “notice package” (the “**Notice-and-Access Notification**”), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Notice-and-Access Shareholders are reminded to review the Circular before voting.

Notice-and-Access Shareholders who are registered shareholders will not receive a paper copy of the Meeting Materials unless they contact Computershare Investor Services Inc. in which case Computershare Investor Services Inc. will mail the requested materials within three business days of any request provided the request is made prior to

the Meeting. Notice-and-Access Shareholders who are registered shareholders can request a copy of the Meeting Materials **without charge** by contacting Computershare Investor Services Inc. at 1-866-962-0498 within North America or at 514-982-8716 outside of North America up to the date of the Meeting, or any adjournment thereof, or thereafter by contacting the Corporation at 416-864-1456 or by email at [info@boldventuresinc.com](mailto:info@boldventuresinc.com). Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out below, being 11:00 a.m. on, Monday, June 9, 2014, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting. Notice-and-Access Shareholders with questions about notice-and-access may contact Computershare Investor Services Inc. at 1-866-964-0492 up to the date of the Meeting, or any adjournment thereof, and thereafter may contact the Corporation at 416-864-1456 or by email at [info@boldventuresinc.com](mailto:info@boldventuresinc.com). Notice-and-Access Shareholders who are non-registered shareholders should refer to the heading “Advice to Non-Registered Shareholders” below.

#### **APPOINTMENT AND REVOCATION OF PROXIES**

The persons named in the form of proxy or voting instruction form are officers or Directors of the Corporation (the “**Management Designees**”). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Transfer Agent of the Corporation, **Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1**. A proxy can be executed by the Shareholder or his attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the second last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Notice-and-Access Notification from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) or an Intermediary (as defined in the “Advice to Non-Registered Shareholders” section below) must return the proxy forms, once voted, to Broadridge or their Intermediary, as applicable, for the proxy to be dealt with.

#### **DEPOSIT OF PROXY**

By resolution of the Directors duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED BY 11:00 A.M. (TORONTO TIME) ON TUESDAY, JUNE 17, 2014, BEING NOT LESS THAN 48 HOURS, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, PRECEDING THE DATE OF THE MEETING, OR ANY ADJOURNMENT THEREOF, WITH THE CORPORATION’S AGENT, COMPUTERSHARE INVESTOR SERVICES INC.**, provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting to revoke a proxy previously delivered in accordance with the foregoing.

#### **ADVICE TO NON-REGISTERED SHAREHOLDERS**

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder (a “**Non-Registered Holder**”) deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

The Corporation has decided to use Notice-and-Access in accordance with the requirement of NI 54-101 to deliver the Meeting Materials to Shareholders by posting the Meeting Materials on its website [www.boldventuresinc.com](http://www.boldventuresinc.com). The Meeting Materials will be available on the Corporation's website on or before **May 13, 2014**, and will remain on the website for a full year thereafter. The Meeting Materials will also be available on the Corporation's profile on SEDAR at [www.sedar.com](http://www.sedar.com). The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation's decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from Broadridge. Please complete and return the VIF to Broadridge in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by Broadridge. For purposes of the Meeting, NOBOs who deliver VIFs in accordance with the instructions on the VIF will be otherwise treated the same as registered Shareholders.

*Non-Registered Shareholders who are NOBOs may make their request for paper copies of the Meeting Materials without charge by calling Broadridge Investor Communication Solutions, Canada's toll free number at 1-877-907-7643 on or before the day of the Meeting, or any adjournment thereof, or thereafter contact the Corporation at 416-864-1456 or by email at [info@boldventuresinc.com](mailto:info@boldventuresinc.com).*

**Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out above, being 11:00 a.m. on Monday, June 9, 2014, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.**

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or

- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy, VIF or Voting Instruction Form wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder’s name in the blank space provided. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF or Voting Instruction Form is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

#### **EXERCISE OF DISCRETION BY PROXIES**

The persons named in the form of proxy or voting instruction form for use at the Meeting will vote the Common Shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED "FOR":**

- (a) election of the Board of Directors as nominated by Management;
- (b) appointment of McGovern, Hurley, Cunningham, LLP as auditors of the Corporation for the ensuing year and authorizing the directors to fix their remuneration;
- (c) ratification of the 2011 Stock Option Plan; and
- (d) to transact such further and other business as may properly come before the said Meeting or any adjournment or adjournments thereof.

#### **ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR.**

The form of proxy or voting instruction form confers discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

The effective date of this Circular is May 9, 2014.

However, if a holder of Common Shares of the Corporation has transferred any shares after the Record Date and the transferee of such shares establishes ownership thereof and makes a written demand, not later than 10 days before the Meeting, to be included in the list of shareholders entitle to vote at the Meeting, the transferee will be entitled to vote such shares.

## REQUIRED ANNUAL DISCLOSURE CONCERNING THE CORPORATION

### EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6 for Venture Issuers (the “**Form**”), as such term is defined in National Instrument 51-102.

#### Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Corporation’s executive compensation objectives and processes and discusses compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During its fiscal year ended October 31, 2013, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of the Corporation:

- Richard Nemis, President and Chief Executive Officer;

- Rodger Roden, Chief Financial Officer (from October 9, 2012);
- Amy Stephenson, Chief Financial Officer (until October 9, 2012);
- David Graham, Executive Vice-President; and
- John Harvey, Chief Operating Officer.

The Corporation has a compensation committee (the “**Compensation Committee**”) which reviews the compensation of the Named Executive Officers, directors and officers, including the granting of stock options, and makes recommendations to the full Board. The Compensation Committee consists of three (3) independent directors, Jim Glover, Gary F. Zak and Ian Brodie-Brown. The Compensation Committee meets on an ad hoc basis as needed; determines and reviews remuneration arrangements for the directors and the executive team; assesses the appropriateness of the nature and amounts of compensation of such officers on a periodic basis by reference to relevant employment market conditions; and makes recommendations to the board on these matters with a view to ensuring maximum shareholder benefit from the retention of a high quality executive team.

### **Compensation Objectives and Principles**

The Corporation is a mineral exploration company with property interests located in Ontario. The Corporation has no revenues from operations and often operates with limited financial resources. As a result, to ensure that funds are available to complete scheduled programs, the Compensation Committee has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the Named Executive Officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the Named Executive Officers with the interests of the Corporation. The other two elements of the compensation the Corporation awards to its Named Executive Officers are: (i) base cash consulting fees; and (ii) in applicable circumstances, cash bonus payments for achievement of stated milestones or benchmarks. The Corporation does not provide its Named Executive Officers with perquisites or personal benefits that are not otherwise available to all of our employees.

### **Compensation Processes and Goals**

The deliberations of the Compensation Committee are conducted in a special session from which management is absent. These deliberations are intended to advance the key objectives of the compensation program for the Corporation’s Named Executive Officers. At the request of the Compensation Committee, the Named Executive Officers may, from time to time, provide advice to the Compensation Committee with respect to the compensation program for the Corporation’s Named Executive Officers. The Committee makes recommendations regarding the compensation to be awarded to the Named Executive Officers to the full Board of Directors (either on its own volition or based upon the advice it receives from the Named Executive Officers).

The Corporation relies on its Compensation Committee and its Board of Directors, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its Named Executive Officers. The Board of Directors is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the Named Executive Officers of the Corporation, and to others, including, without limitation, to the Corporation’s directors, and for reviewing the Compensation Committee’s recommendations regarding the compensation to be awarded to any other officers of the Corporation from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each such officer’s position. The Board of Directors incorporates the following goals when it makes its compensation decisions with respect to the Corporation’s Named Executive Officers: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of management with the interests of the Corporation’s shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources.

### **The Implementation of the Corporation's Compensation Policies**

During the year ended October 31, 2013, the Corporation paid the Chief Executive Officer a salary on a month-to-month basis. The Chief Executive Officer was paid a total of \$32,000 for fiscal 2013. This amount was agreed upon between the Chief Executive Officer and the Corporation taking into account the following consideration:

#### *Fees*

- the Chief Executive Officer's prior public company and regulatory experience gained through his involvement with a number of public mineral exploration and mining companies;
- the total number of years of the Chief Executive Officer's relevant experience; and
- the financing raised by the Corporation while the Chief Executive Officer has been in office.

The payment of this compensation was not tied to any specific performance goals or similar criteria.

During the year ended October 31, 2013, the Corporation was contractually obligated to pay Rodger Roden, as Chief Financial Officer, a consulting fee of \$4,000 per month. This amount was agreed upon between the Chief Financial Officer and the Corporation taking into account the following consideration:

- the Chief Financial Officer's prior public company and specialized financial reporting experience gained through senior financial management roles at a number of public mineral exploration and mining companies;
- the Chief Financial Officer's technical experience; and
- the Chief Financial Officer's previous record of success with junior public mineral exploration and mining companies in creating value for shareholders.

The payment of the consulting fee was not dependent on the Chief Financial Officer's fulfillment of any specific performance goals or similar criteria.

#### *Stock Options*

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Compensation Committee in developing its recommendations with respect to the granting of new options. The Named Executive Officers were granted 100,000 options during the year ended October 31, 2013.

The granting of options to the other directors of the Corporation under the Corporation's Stock Option Plan provides an appropriate long-term incentive to these directors to provide proper independent oversight to the Corporation with a view to maximizing shareholder value. The number of options the Corporation grants to each of these directors reasonably reflects each director's contributions to the Corporation in his capacity as a director and as a member of one or more committees of the Board (if applicable), including without limitation the Compensation Committee and the Audit Committee. Previous grants of options awarded to the independent directors of the Corporation are taken into consideration when the Corporation considers the granting of new options to the independent directors. No options were granted to the directors during the year ended October 31, 2013.

The compensation of independent directors and the granting of options under the Corporation's Stock Option Plan is determined by the full Board. A total of \$5,000 in fees was paid to the independent directors in fiscal 2013.

### Summary Compensation Table

The following table contains information about the compensation paid to, earned by and payable to, the Corporation's Chief Executive Officer, Richard Nemis, the Chief Financial Officer, Amy Stephenson and Rodger Roden, the Executive Vice-President, David Graham and the Chief Operations Officer, John Harvey for the fiscal years ending October 31, 2013, October 31, 2012 and October 31, 2011. In accordance with the Form, the Corporation does not have any other "Named Executive Officers" given that no executive officer receives total salary and bonus in excess of \$150,000. Specific aspects of compensation payable to the Named Executive Officers of the Corporation are dealt with in further detail in subsequent tables.

## **STOCK OPTION PLAN**

On February 13, 2012, the directors of the Corporation adopted a new 2011 Stock Option Plan (the “**Plan**”), which was approved by the shareholders of the Corporation on February 13, 2012, to encourage common stock ownership in the Corporation for directors, executive officers, employees and consultants who are primarily responsible for the management and profitable growth of its business, to provide additional incentive for superior performance by such persons and to enable the Corporation to attract and retain valued directors, officers and employees by granting stock options to such persons.

The Plan provides that eligible persons thereunder include any director, employee (full-time or part-time), executive officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding company) with whom the Corporation or a subsidiary has a contract for substantial services.

The Plan is administered by the Board of Directors of the Corporation. The Board of Directors has the authority to determine, among other things, subject to the terms and conditions of the Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the Plan.

The total number of shares which may be reserved and set aside for issuance to eligible persons may not exceed 10% of the issued and outstanding Common Shares from time to time. Investor Relations persons may not be granted options exceeding 2% of outstanding capital and such options must vest over 1 year with no more than 25% vesting in each quarter.

Pursuant to the Plan, the options will not be transferable other than by will or the laws of descent and distribution, the option price to be such price as is to be fixed by the Plan’s administrator but shall not be less than the fair market value of the shares at the time the option is granted and payment thereof shall be made in full on the exercise of the options. The terms of the options may not exceed five years and shall be subject to earlier redemption upon the termination of employment. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding 6 months following the termination of the optionee’s position with the Corporation but only up to and including the original option expiry date. If an optionee dies, the legal representative of the optionee may exercise the optionee’s options for a period not exceeding 1 year after the date of the optionee’s death but only up to and including the original option expiry date. The Plan also contains anti-dilution provisions usual to plans of this type.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise stock options granted under the Plan. The Corporation has no other compensation plans or arrangements in place and none are currently contemplated.

As of the date of this Circular, there are 4,975,000 stock options outstanding under the Plan and 1,288,353 options available for grant as follows:

### **ELECTION OF THE BOARD OF DIRECTORS**

The Board of Directors currently consists of seven (7) directors. The persons named in the enclosed form of proxy intend to vote for the election as directors of each of the seven (7) nominees of management whose names are set forth in the table below. The Board of Directors has adopted a majority voting policy in order to promote enhanced director accountability. Each Shareholder is entitled to cast their votes for, or withhold their votes from, the election of each director. If the number of shares "withheld" for any nominee exceeds the number of shares voted "for" the nominee, then, notwithstanding that such director was duly elected as a matter of corporate law, he shall tender his written resignation to the Corporation. The Board will consider such offer of resignation and the director's suitability to continue to serve as a Board member after considering, among other things, the stated reasons, if any, why certain shareholders "withheld" votes for the director, the qualifications of the director and whether the director's resignation from the Board would be in the best interests of the Corporation.

These nominees have consented to being named in this Circular and to serve if elected. The Corporation's management does not contemplate that any of the nominees will be unable or unwilling to serve as a director, but if that should occur for any reason prior to the Meeting, the Common Shares represented by properly submitted proxies given in favour of such nominee(s) may be voted by the persons whose names are printed in the form of proxy, in their discretion, in favour of another nominee.

The following table and notes thereto state the names of all the persons proposed to be nominated for election as directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments for the last five years and the number of shares of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised, by each of them as of May 9, 2014. ##### **Purpose of the Audit Committee**

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of the Corporation is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Corporation maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Corporation and to foster increased investor confidence in both the Corporation and Canada’s capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation’s Management to ensure that the independent auditors serve the interests of shareholders rather than the interests of Management of the Corporation. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will review financial reports or other financial information provided by the Corporation to regulatory authorities and shareholders and review the integrity, adequacy and timeliness of the financial reporting and disclosure practices of the Corporation. The Committee will monitor the independence and performance of the Corporation’s independent auditors.

At least one (1) member of the Committee shall be independent and the Board and the Committee shall endeavor to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

  - (b) The pre-approval of non-audit services by any member to whom authority has been delegated pursuant to subsection (5)(a) must be presented to the Committee at its first scheduled meeting following such pre-approval.
- (6) The Committee satisfies the pre-approval requirement in subsection (3) if it adopts specific policies and procedures for the engagement of the non-audit services, if:
  - (a) the pre-approval policies and procedures are detailed as to the particular service;
  - (b) the Committee is informed of each non-audit service; and
  - (c) the procedures do not include delegation of the Committee's responsibilities to Management.
- (7) The Committee shall review the Corporation's financial statements, MD&A and annual and interim earnings press releases before the Corporation publicly discloses this information.

## SCHEDULE "B"

### **BOLD VENTURES INC.**

#### **BOARD CHARTER**

The Board of Directors (the "**Board**") of Bold Ventures Inc. (the "**Corporation**") is responsible for the stewardship of the business and affairs of the Corporation on behalf of the shareholders by whom they are elected and to whom they are accountable.

The Board shall be constituted with at least two (2) individuals who are independent directors in accordance with the requirements for a Venture Issuer. Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board may appoint one director as Chairman. The Chairman, if appointed, shall be an independent director. The Chairman is responsible for the leadership of the Board and for specific functions to ensure the independence of the Board. Currently, the Board has not appointed a Chairman.

The Senior Officers are accountable to the Board for all authority delegated to the positions. For the purposes of these Corporate Governance Policies, Senior Officer shall be defined as any person holding the position of President, CEO, CFO, COO or Vice President of Exploration.

The Board has the following overall responsibilities:

- in conjunction with management, establishing the direction and strategies for the Corporation and monitoring the implementation of those strategies; and
- monitoring compliance with regulatory requirements and setting the tone for ethical behaviour and standards.

The monitoring and ultimate control of the business of the Corporation is vested in the Board. The Board's primary responsibility is to oversee the Corporation's business activities and management for the benefit of the Corporation and its shareholders. The specific responsibilities of the Board include:

- selection, appointment, monitoring, evaluation, rewarding and if necessary the removal of the Senior Officers of the Corporation;
- in conjunction with management, development of the strategic planning process and approving and appropriately monitoring plans, new investments, major capital and operating expenditures, capital management, acquisitions, divestitures and major funding activities;
- monitor and review annually the success of management in implementing the approved strategies and plans;
- establishing appropriate levels of delegation to the Senior Officers to allow them to manage the Corporation's operations efficiently;
- monitoring actual performance against planned performance expectations and reviewing operating information;
- appreciation of areas of significant business risk and ensuring arrangements are in place to adequately manage those risks;
- overseeing the management of safety and occupational health, environmental issues and community development;

- satisfying itself that the financial statements of the Corporation fairly and accurately set out the financial position and financial performance of the Corporation for the period under review;
- satisfying itself that there are appropriate reporting systems and controls in place to assure the Board that proper operational, financial, compliance, risk management and internal control processes are in place and functioning appropriately;
- ensuring that appropriate external audit arrangements are in place and operating effectively;
- developing the Corporation's approach to corporate governance issues;
- having a framework in place to help ensure that the Corporation acts legally and responsibly on all matters consistent with the Code of Business Conduct and Ethics; and
- reporting to shareholders.

At all times the Board retains full responsibility for guiding and monitoring the Corporation; however, in discharging its stewardship it makes use of committees. To this end, the Board has established the following committees:

- Audit Committee; and
- Compensation Committee.

The Corporation also has in place a Disclosure Committee comprised of the CEO and the Executive Vice President.

Each director has the right to seek independent professional advice on matters relating to his position as a director of the Corporation at the Corporation's expense, subject to the prior approval of the Chairman, or the CEO if there is no Chairman, which shall not be unreasonably withheld.

The independent members of the Board shall meet regularly during the year without any member of the Corporation's management present. Generally these meetings will be held prior to regular Board meetings. Any material business items arising from these meetings shall be brought to the attention of the Corporate Secretary and such matters will be added to the agenda of the next regularly scheduled Board meeting.

In the event of a conflict of interest or where a potential conflict of interest may arise, involved directors will, unless the remaining directors resolve otherwise, withdraw from deliberations concerning the matter. The Board does not specify a maximum term for which a director may hold office.

The responsibility for the day-to-day operation and administration of the Corporation is delegated by the Board to the Senior Officers. The Board ensures that this team is appropriately qualified and experienced to discharge their responsibilities and has in place procedures to assess the performance of the Senior Officers.
